

## *Bodywork Company*

# *Safeguarding Statement*

Bodywork Company is committed to providing training and classes of the highest standard to all members of our community.

Having been established in Cambridge for over 35 years' thousands of people have enjoyed coming into our building and taking classes, including children from three years old to adults of all ages and abilities. Our internationally renowned full time training creates a foundation of opportunities for young performing artists to go out into the wider world as independent and motivated individuals.

Bodywork Company will always foster an environment of inclusivity, fairness, respect and safety.

Bullying, harassment, discrimination or abuse in any form will not be tolerated, this list is not exhaustive, please see our policies displayed on our website for details.

Child Protection and Safeguarding training is delivered to all staff on a regular basis.

All our staff are employed in line with statutory safer recruitment requirements and checks.

We will always follow GDPR procedure and your information will not be shared.

On arrival at Bodywork, please report to the front desk to sign in.

We want your Bodywork experience to be as enjoyable and enriching as possible, to help this happen please adhere to our commitment to keeping our community safe.

If you have any concerns, please report to the safeguarding team, Emma Kerr or Mary Fairley (details below) or the person at the front desk.
