

Funding Eligibility

Through our new partnership with VLUK, students aged 16-19 and students aged 16-25 on a ECHP will be entitled to government funding for our new two year Level 3 RSL extended diploma course.

Additionally, bursaries and grants may be available to cover specific costs, such as travel, meals, and essential equipment, particularly for students from lower-income families or those with additional needs. This support ensures that financial barriers do not hinder access to education and training opportunities for young people.
